## INTRODUCTION

We are pleased to inform you that CME in Immunology and TCS-PGI-FCM Workshop on Stem Cell is being organized at the Post Graduate Institute of Medical Education and Research (PGIMER) Chandigarh-India from 11-13 Sept., 2017. This is being hosted by the Departments of Immunopathology and Translational & Regenerative Medicine, PGIMER, Chandigarh. CME is focused to update the knowledge of basic concepts in Immunology and FCM Workshop will include wet lab modules on Hematopoietic and Mesenchymal stem cells.

## WHO CAN ATTEND

**Registration for CME is open to all.** However, there will be selection of 25 candidates for one and a half day workshop. Selection would be based on write-up mentioning objectives of attending the workshop and background of research currently they are involved in and recommendation by their supervisor (In the case of students). All the candidates are advised to submit filled registration form, write-up mentioning their research background and purpose and brief Curriculum Vitae. Participants with deep interest in stem cells research and regenerative medicine are encouraged to apply for workshop. Participants of **CME only** will get 6 credit hours and participants of **CME+workshop** will get 12 credit hours awarded by the Punjab medical Council
